Speakers' biographies

Dr Peter Kroker

Dr Peter Kroker is a consultant physician at Chelsea and Westminster Hospital as well as a lecturer at Imperial College School of Medicine.

Dr Joseph Kwan

Dr Joseph Kwan is a consultant stroke physician at Charing Cross Hospital. He returned from Hong Kong recently after having spent almost 5 years there as a Clinical Associate Professor in Geriatric Medicine developing a second sub-speciality in dementia.

Dr Anna Cantlay

Dr Anna Cantlay is a GP at Stanhope Mews West, a busy NHS practice in South Kensington. She is the Clinical Lead for My Care My Way, a model of care commissioned by West London CCG to help provide holistic and proactive care for over 65s. Her interests focus on preventative care and lifestyle medicine.

British Geriatrics Society

Improving healthcare
for older people

Dr. Ruth Mizoguchi

Dr Ruth Mizoguchi is a consultant geriatrician and the dementia lead at Chelsea and Westminster Hospital (CWH). She works closely with the neurology department and together they have established an MDT memory clinic. Dr Mizoguchi has a special interest in dementia research and prior to her current appointment she was a consultant geriatrician at the Royal Free Hospital NHS Foundation trust.
