

# Cardiovascular SIG Webinar

25 June 2020 13:00-14:00, Free Webinar

**A free virtual meeting utilising MS Teams Live Event to discuss the challenges we are facing in the current pandemic regarding older people cardiovascular diseases. This first meeting will sketch out some of our experiences to date in addressing the pandemic, the known cardiovascular complications in older people arising from a COVID19 infection and how to prepare to treat older patients, without COVID19, but with cardiovascular diseases requiring management.**

**All professionals providing healthcare to older people are invited to join.**

## How to participate

- Register online [www.bgs.org.uk/events](http://www.bgs.org.uk/events)
- Use the Q&A function to interact with the presenters [Find out how to use Teams Webinar](#)
- Participate to Polls via Slido #BGSCardio20. [Learn how to join](#)
- Connect on Twitter [@GeriSoc](#) #BGSCConf

**Participants should join up to 10 minutes before the webinar allowing time to resolve any login issue before the start.**

We encourage you to participate to the polls while you wait on [www.sli.do](http://www.sli.do) using #BGSCardio20
