

Delivering out-patients services for older people past present and future

29 July 2020 13:00-14:30, Free Webinar

A free virtual meeting on tips and advice on delivering virtual out-patients services for older people past present and future. All professionals providing healthcare to older people are invited to join.

Meeting aims

- Improve attendee's skills in delivering virtual clinics in older peoples services
- Inspire attendees to achieve personal excellence in the healthcare of older people during the pandemic
- Share focused best practice tips and advice from memory/cognitive assessment clinics
- Takeaway new activities and ideas to advance attendees' workplace services

CPD accreditation

BGS has applied for **2 CPD accreditation with the RCP**. Participants watching a live webinar must sign in with their full name when joining. If participants join viewing as a group they must contact us by email with their full name, email address and place of work to registrations@bgs.org.uk. Participant must register before the live webinar start to claim CPD credits.

We cannot send CPD certificate to participants who haven't registered in advance.

Participants accessing the archived version of the webinar may record this in their CPD diary using the approval code provided for the live event for up to four weeks after the event date.

Participants should join up to 10 minutes before the webinar allowing time to resolve any login issue before the start. We encourage you to participate to the polls while you wait on www.sli.do using #BGSvirtual
