

Autumn Meeting 2024

20 - 22 November

Excel, London & Online (Hybrid meeting)

Five top tips for getting the most out of your meeting:

1. Record your attendance

Online: Record by clicking “Sign in for CPD today” on the event platform each day you attend.

In person: Attendance should be recorded by scanning in at the registration desk using the QR code on your joining email or providing your name. Each day you attend you will need to scan in.

You will receive a CPD certificate for the days you have joined ‘live’ online only. **Viewing the content post-event won’t be certified, but certificates are not required to claim CPD via the RCP diary.**

2. Give feedback

Please take the time to fill out the feedback form after each day. It is mandatory for CPD but also helps us improve our conference and provides invaluable information to our speakers about their presentation.

3. Visit our sponsors

Please review the symposia in this programme and consider watching. Challenge yourself to spend 5 minutes during the next 3 days to speak to a sponsor.

4. Join the discussion

All delegates are encouraged to ask questions for the speakers and panel discussions. If you are thinking it, someone else is too, so please use the ‘Ask’ function on the online platform or the microphone in the room. If you’re tweeting, tag us at @GeriSoc and use the hashtag #BGSConf.

5. Get social

Chat with attendees, join a socialising event or interact in a group discussion.

With grateful thanks to our sponsors:

Astrazeneca, Flynn Pharma, Eli Lilly

Astrazeneca, Flynn Pharma and Eli Lilly have provided sponsorship towards this independent programme. They have had no editorial input into or control over the agenda, content development or choice of speakers, nor opportunity to influence, except for the Astrazeneca, Flynn Pharma and Eli Lilly sponsored symposia presentations. They have not had any input or influence as to the content of the programme. Sponsored symposia and Spotlight on sessions are not eligible for external CPD and are intended for a healthcare professional audience in the UK.

We are excited to welcome delegates back to in-person conferences and we can't wait to share the delights of London with you. We hope this Autumn Meeting will offer you the opportunity to refresh, relax and refocus. Please take time during the conference to reflect, sit a while or catch up with colleagues.

We have organised a number of social activities throughout the conference which we encourage you to take part in, as well as explore the delights that East London has to offer. Please see the below timetable to help plan your time.

SOCIAL PROGRAMME * This social programme is self funded, independent from our sponsor's support.		
WEDNESDAY 20 November	THURSDAY 21 November	FRIDAY 22 November
<p>13.00 - 14.00 Group meetups Room 1&2 Join colleagues after the sessions. We will have meet up points for specific interests.</p> <p>17.00 - 18.00 Group meetups Room 1&2 Join colleagues after the sessions. We will have meet up points for specific interests.</p>	<p>13.15 Trainees Meetup Room 5/6/7</p> <p>17.00 - 18.00 Drinks and Canapes Room 1&2</p> <p>Join colleagues over a drink and canapes after the sessions. All are welcome to attend, for a chance to catch up with colleagues before exploring the delights that London has to offer.</p>	<p>13.45 NAHP Meetup Room 5/6/7</p>

Those attending the meeting in person will notice some changes to our event delivery as part of our commitment to environmental sustainability.

- We are continuing with the use of **digital platforms** as a core part of our conference and meetings delivery and reducing material used at conferences through paperless conferences.
- The meeting recordings will be **accessible online** for you to watch on demand for 12 months, for all those attending in person.
- We encourage you to **walk, cycle or travel by public transport** to the conference venue where possible.
- Try and remember to bring a **reusable water bottle** with you to the venue. Water will be available from water coolers throughout the venue as well as some packaged water. Please recycle packaging by disposing of it at the correct recycling point.
- We are offering a greater choice of **sustainable, meat-free options** as part of our catering for the event.
- This is a **paperless** meeting and we are not printing hard copies of the programme. Please consult the programme online (www.bgs.org.uk/Autumn24) for session details and timings. This is accessible online via your devices before and during the conference. Large poster programmes will be displayed on boards around the venue for reference.
- CPD certificates will be emailed rather than printed. Remember to scan in each day you are attending at registration, or use the **'Sign in for CPD today'** button on the online platform.
- We will be displaying **paperless posters** in place of traditional physical posters at the meeting. Please look at the poster platform (<https://posters.bgs.org.uk>) in advance and use the onsite computers and screens at the venue to browse and comment.
- Bring your own pen and pad if you have them, however, the lanyards, pens and pads at our conference are all from recycled origins.

Flexible attendance options: In person or online

There is no difference in registration fees for in person and online meeting attendance. The registration fee provides access to the conference or online platform for the days you are registered. On demand viewing post event will be limited to the days for which you have registered and paid.

There is a flexible transfer from in person to online attendance as clinical service and life balance require. Please check our [FAQs](#) first for any queries you may have about attendance or on demand watching.

Recommended Highlights

1

Stroke

Haemorrhagic stroke, aetiology and difficulties with management

Wednesday 10.40
Stream 2: Room 4

Old Age Psychiatry

New treatments in Dementia and neuroimaging

2

Thursday 15.00
Stream 1: Room 3

3

Movement disorders

End of life care and deprescribing in PD

Friday 12.00
Stream 1: Room 3

Intensive care of older adults

Frailty assessment and shared decisions for admission of older patients to critical care

4

Friday 09.40
Stream 2: Room 4

Trainees Council Committee

Dr Victoria O'Brien
Co Chair, Trainees Council

Dr Julianaa Raghu
Co Chair Trainees Council

Dr Grace Pearson
Education and Training Rep

Dr Joyce Lau (Yun Yee)
Meetings and Events Rep

Dr Anirudh Kumar
Education and Training Rep

Dr Sabrina Costa
Meetings and Events Rep

Pop along and meet other trainees at the TRAINEES' MEETUP on Thursday at 1.15pm over lunch. We will be in room 5/6/7.

Recommended Highlights

Wednesday 9.30

Stream 1: Room 3

COP DGM

Community of Practice:
Diploma in Geriatric
Medicine

Wednesday 15.30

Stream 3: Room 5 6 7

2

3

Comprehensive Geriatric Assessment

Why CGA?

Thursday 09.30

Stream 1: Room 3

Intensive care of older adults

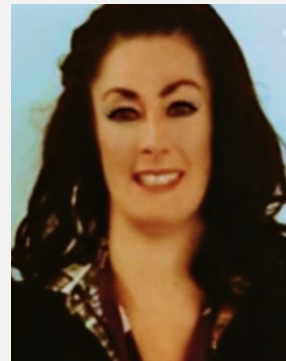

Mental Health:
Anxiety and Depression in older adults

Thursday 11.00

Stream 2: Room 4

4

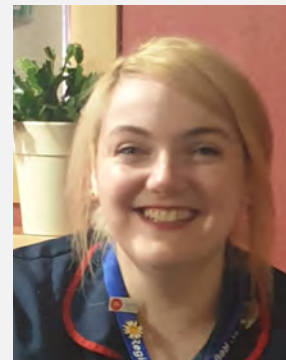

NAHP Council Committee

Lyndsey Dunn
Chair, NAHP Council

Susanne Arnold
Deputy Chair NAHP Council

Stacey Finlay
NI Rep

Jo Jennings
England Rep

Pop along and meet others at the NAHPs Meetup on Friday at 1.45pm over lunch. We will be in room 5/6/7.

Guest Lecturer

Professor Chris Whitty

Chief Medical Officer and DHSC Chief Scientific Adviser, Department of Health and Social Care (DHSC)

Professor Chris Whitty is Chief Medical Officer (CMO) for England, the UK government's Chief Medical Adviser and head of the public health profession.

Chris is also Chief Scientific Adviser for the Department of Health and Social Care (DHSC), with overall responsibility for the department's research and development, including the National Institute for Health Research (NIHR), the government's major funder of clinical, public health, social care and translational research. He represents the UK on the Executive Board of the World Health Organization.

Chris is a practising NHS Consultant Physician at University College London Hospitals (UCLH) and the Hospital for Tropical Diseases, and Gresham Professor of Physic at Gresham College.

Chris is an epidemiologist and has undertaken research and worked as a doctor in the UK, Africa and Asia. He was Professor of Public and International Health at the London School of Hygiene and Tropical Medicine (LSHTM) before becoming CMO.

KEYNOTE: Thursday 21 Nov 15.45

Chris was the interim Government Chief Scientific Adviser from 2017 to 2018, including during the Novichok poisonings. Before that, he was the Chief Scientific Adviser at the Department for International Development (DFID), which included leading technical work on the West Africa Ebola outbreak and other international emergencies.

KEYNOTE: Friday 22 Nov 12.45

President's Medal Winner

Trevor Howell Guest Lecturers

Professor Ken Rockwood

Professor of Geriatric Medicine, Dalhousie University & Nova Scotia Health

Kenneth Rockwood, OC, MD, FRCPC, FRCP, is Professor of Medicine (Geriatric Medicine & Neurology) and Clinical Research Professor of Frailty and Aging at Dalhousie University. A leading authority on frailty, he has key roles on numerous studies in Canada and elsewhere. Ken received his MD from Memorial University in St. John's, NL, completed training in Internal Medicine at the University of Alberta, and in Geriatric Medicine from Dalhousie University.

Recently Ken was honoured by being made an Officer of the Order of Canada, awarded to people who have demonstrated outstanding service to Canada and Canadians.

Accommodation in recent years has increased in costs and this year keeping costs low is important.

To secure the best accommodation within your budget we recommend you book as early as possible, other events are taking place at ExCel during the week and hotels are busy.

[Click here to see available options and rates via Hotel Map](#) for available options and rates

Other sites and booking directly with the hotels may be cheaper - please do shop around.
BGS members can also access preferential rates at the Hilton chain using the details below.

HILTON

- Log on to www.hilton.com
- Put in the location and dates
- Click on advanced search
- Click on 'Add a special rate code'
- In the corporate account box, type in **113011292**

Use the table below to help plan how you will spend your first day at the conference. More detailed information about the sessions in each stream can be found on the following pages.

	STREAM 1 Room 3	STREAM 2 Room 4	STREAM 3 Room 5,6,7
8.30	Registration		
9.15	KEYNOTE President's Opening Address		
9.30 - 11.00	Community and Primary Care Proactive care in Primary Care	Stroke Cerebrovascular Disease/ Stroke	AI and MedTech in Geriatric Medicine In collaboration with RCP
11.00	Free time		
11.30 - 13.00	Community and Primary Care Population Data, Digital and Care Homes	Stroke Cerebrovascular Disease/ Stroke	Wellbeing Moral Injury
13.00	Lunch and posters		
13.00	Group Meetups Join colleagues over lunch to catch up Rooms 1 & 2. Look out for the signs indicating where to meetup.		
13.30	Sponsored symposium - Room 4 Optimising muscle and bone health in individuals with vitamin D deficiency Dr Sanjay Suman, Medway NHS Foundation Trust This is a promotional symposium sponsored and organised by Flynn Phama intended for UK HCPs only		
14.00 - 15.00	Community and Primary Care Proactive Care in Action	Stroke Latest Guidelines and new developments	Clinical Quality Session
15.00	Free time		
15.30-16.30	Community and Primary Care Masterclass	Stroke Latest Guidelines and new developments	Nurse and Allied Health Professional Community of Practice DGM preparation
16.30	The power of story in medicine		
17.00	Social programme: Networking Group meetups - SAS Grade, Trainees, Nurses and AHPs, Researchers, Workforce Rooms 1 & 2		

STREAM 1: Room 3

KEYNOTE **President's Opening address**

09.15	Opening words from BGS President, Professor Adam Gordon
<p>Community and Primary Care Proactive care Moderator: Deborah Gompertz and Claire Dow</p>	
9.30 - 11.00	<p>09.30 A shift of care from hospital to community. (Remote) Dr Eileen Burns, BGS Past President, Retired Geriatrician, formerly Leeds NHS Teaching Hospitals</p> <p>10.20 Care Closer to Home. What does Care Closer to Home mean ? How can Primary Care and Community integrate Dr Adrian Hayter: RCGP Medical Director, RCGP</p> <p>10.45 Discussion</p>
11.00	<p>Poster viewing time Visit the sponsored stands and poster viewing time: Authors will be able to take questions and provide more detail to questions submitted via the BGS Poster platform.</p>
<p>Community and Primary Care Population Data, Digital and Care Homes What's Digital got to do with it? Lessons from the South West Moderators: Holly Paris and Dan Harman</p>	
11.30 - 13.00	<p>11.30 Does proactive care with iCGA, done in a community-based setting, improve survival in care homes? Dr David Attwood, GP and Associate Medical Director, Livewell Southwest, Plymouth, Devon</p> <p>12.00 Digital Integrated Neighbourhood Teams: Using Brave AI to deliver targeted Personalised Care in Somerset Dr Matthew Dolman, Chief Clinical Information Officer (CCIO), and Helen Rostron, Occupational Therapist Somerset NHS Foundation Trust</p> <p>12.30 Be proactive: Delivering proactive care for older people with frailty Dr Tara Verity, Dr Liz Lawn, Dr Lucy Abbott, Jennifer Sutton and Dr Deborah Gompertz</p>
13.00	<p>Lunch Visit the sponsored stands and poster viewing time: Authors will be able to take questions and provide more detail to questions submitted via the BGS Poster platform.</p>
13.00	<p>Group Meetups Join colleagues over lunch to catch up. Rooms 1 & 2. Look out for the signs indicating where to meetup.</p>

STREAM 1: Room 3

Sponsored symposium - Room 4	
13.30	<p style="text-align: center;">Optimising muscle and bone health in individuals with vitamin D deficiency Dr Sanjay Suman, Medway NHS Foundation Trust</p> <p style="text-align: center;">This is a promotional symposium sponsored and organised by Flynn Phama intended for UK HCPs only</p>
<p>Community and Primary Care Proactive Care in Action Moderators: Liz Lawn and Fiona Green</p>	
14.00 - 15.00	<p>14.00 The Jean Bishop Integrated Care Centre: A place to meet the needs of people living with frailty Dr Dan Harman and Dr Anna Folwell, Consultant Community Geriatricians, Clinical Leads, Jean Bishop Integrated Care Centre, Hull. City Health Care Partnership CIC</p> <p>14.30 Stories from the Frontline: LEEDS INTs - where health meets care George Winder, GP, Oakwood Lane Medical Practice, Joanna Quigley and Rebecca Long Proactive Care Practitioners, Seacroft PCN</p>
15.00	<p>Poster viewing time Visit the sponsored stands and poster viewing time: Authors will be able to take questions and provide more detail to questions submitted via the BGS Poster platform.</p>
<p>Community and Primary Care Community and Primary Care Clinical Masterclass Moderators: Philly O’Riordan and Mandy Waldon</p>	
15.30 - 16.30	<p>15:30 Top tips for community clinicians: A rundown Dr Sean Ninan, Consultant Geriatrician, Leeds Teaching Hospitals NHS Trust</p> <p>16.00 Delirium- Community management lifelines Jennifer Stone, Mental Health ACP, Royal Berkshire NHS Trust</p> <p>16.15 Heart Failure at Home - Remote Monitoring in a Community Heart Failure Becky Hyland, Nurse Consultant in Heart Failure, Wiltshire Health and Care</p>
16.30	<p>The power of story in medicine Moderator: David Oliver Dr Rachel Clarke, Palliative Care physician, Katharine House Hospice, Oxford Room 3</p>
17.00	<p>Networking Group meetups - SAS Grade, Trainees, Nurses and AHPs, Researchers, Workforce Room 2</p>

STREAM 2: Room 4

<p>Stroke Cerebrovascular disease / Stroke Moderators: Jane Masoli and Chakravarthi Rajkumar</p>	
<p>9.30 - 11.00</p>	<p>09.30 Developments in Stroke Care - Setting the Scene Professor Chakravarthi Rajkumar, Chair of Geriatric & Stroke Medicine, Brighton & Sussex Medical School; Consultant in Geriatric and Stroke Medicine, University Hospitals Sussex NHS Foundation Trust</p>
	<p>09.40 Evidence-based Stroke Care: The new UK Clinical Guideline for Stroke Professor Martin James, Consultant Stroke Physician/Associate Professor, Royal Devon & Exeter Hospital/University of Exeter Medical School</p>
	<p>10.10 Innovations in stroke care Dr David Hargroves, Consultant Stroke Physician, East Kent Hospitals University Foundation Trust (EKHUFT) & National Clinical Director for Stroke Medicine – NHS England</p> <p>10.40 Intracerebral haemorrhage: challenges in aetiology and management Professor David Werring, Professor of Clinical Neurology and Honorary Consultant Neurologist at the Stroke Research Centre, UCL Queen Square Institute of Neurology and the National Hospital for Neurology and Neurosurgery; Chair of the Association of British Neurologists Stroke Advisory Group</p>
<p>11.10</p>	<p>Poster viewing time Visit the sponsored stands and poster viewing time: Authors will be able to take questions and provide more detail to questions submitted via the BGS Poster platform.</p>

<p>Stroke Cerebrovascular disease / Stroke Moderators: Khalid Ali and Matthew Sweeting</p>	
<p>11.30 - 13.00</p>	<p>11.30 Anticoagulants for all older patients? Prof. Francesco Mattace-Raso, Professor of Geriatric Medicine, Head Division of Geriatric Medicine, Department of Internal Medicine, Erasmus MC University Medical Center, Rotterdam</p>
	<p>12.00 Recent Advances and Guidelines in the Management of Atrial Fibrillation Dr Riyaz Kaba, Consultant Cardiologist and Cardiac Electrophysiologist, St George's Hospital London and Ashford and St Peter's Hospitals, Surrey</p>
	<p>12.30 Transient retinal ischaemia, does it matter? Dr Fiona Humphries, Consultant in Stroke Medicine and Geriatric Medicine, University College London Hospitals NHS Trust</p>
<p>13.00</p>	<p>Lunch Visit the sponsored stands and poster viewing time: Authors will be able to take questions and provide more detail to questions submitted via the BGS Poster platform.</p>
<p>13.00</p>	<p>Group Meetups Join colleagues over lunch to catch up. Rooms 1 & 2. Look out for the signs indicating where to meetup.</p>

STREAM 2: Room 4

Sponsored symposium - Room 4	
13.30	<p>Optimising muscle and bone health in individuals with vitamin D deficiency Dr Sanjay Suman, Medway NHS Foundation Trust</p> <p>This is a promotional symposium sponsored and organised by Flynn Phama intended for UK HCPs only</p>
<p>Stroke Latest Developments and Guidelines Moderators: Jane Masoli and Chakravarthi Rajkumar</p>	
14.00 - 15.00	<p>14:00 Hypertension in the stroke patient Professor Mike Okorie, Professor of Clinical Pharmacology & Therapeutics and Head, Department of Medical Education, Brighton and Sussex Medical School; Consultant Physician and Associate Medical Director for Medicines Safety & Prescribing, University Hospitals Sussex</p> <p>14:30 South Asians and Stroke - BRAINS Professor Pankaj Sharma, Professor of Neurology, University of London and Imperial College London NHS Trust</p>
15.00	<p>Poster viewing time Visit the sponsored stands and poster viewing time: Authors will be able to take questions and provide more detail to questions submitted via the BGS Poster platform.</p>
<p>Stroke Latest Developments and Guidelines Moderator: Khalid Ali and Matthew Sweeting</p>	
15.30 - 16.30	<p>15.30 The new NICE guidelines for stroke rehabilitation. Dr Elizabeth Warburton, Consultant in stroke medicine, Addenbrookes, Cambridge University Hospitals Trust</p> <p>15.55 Caring for the Stroke Patient: My experience as a family member for a stroke survivor Ms Chandrika Kaviraj, Carer</p> <p>16.10 Discussion</p>
16.30	<p>The power of story in medicine Dr Rachel Clarke, Palliative Care physician, Katharine House Hospice, Oxford Room 3</p>
17.00	<p>Networking Group meetups - SAS Grade, Trainees, Nurses and AHPs, Researchers, Workforce Room 1 & 2</p>

STREAM 3: Room 5/6/7

AI and MedTech in Geriatric Medicine - Dragon's Den

In collaboration with RCP

Moderators: Sarah Mistry and Tom Solomon

09.30 - 11.00	<p>09.30 In this “Dragon’s Den” style symposium, three speakers will each present one AI or MedTech approach which they think offers the most promise to geriatric medicine in the future. Dragons: David Oliver, Zoe Wyrko, David Attwood Following a panel critique, the floor will be opened to questions from the audience and a final vote.</p> <p>Remote monitoring Professor Emma Vardy, Consultant Geriatrician, Salford Care Organisation, part of Northern Care Alliance Predictive analysis Dr Rose Penfold PhD Fellow, University of Edinburgh AI and Large Language Models Dr Atul Anand, Consultant and Senior Lecturer, Royal Infirmary, Edinburgh</p> <p>Platform presentations 10.30 Abstract 2886 Video-based patient records for supporting care delivery for older adults with frailty: the Isla for Frailty Feasibility Study Dr Phoebe Averill</p> <p>10.45 Abstract 2793 Virtual Wards for People With Frailty ? Evidence To Think Anew? Dr Maggie Westby</p>
---------------	--

11.00	<p>Poster viewing time Visit the sponsored stands and poster viewing time: Authors will be able to take questions and provide more detail to questions submitted via the BGS Poster platform.</p>
-------	--

Wellbeing

Moral Injury

Moderators: Claire Copeland, Laura Ferrigan and Su Ling Yeoh

11.30 - 13.00	<p>At a time where resources are stretched, healthcare professionals cannot always provide the quality of care they want to, and this has a negative impact on them as well as patients. Coping with pressures to deliver (potentially) substandard care, rushing assessments in ED, discharging people to free up beds before all issues are sorted out is challenging. The impact on doctors’ health from moral distress and moral injury can be significant, being linked to severe mental health conditions such as depression and PTSD. This session will discuss this challenge and suggest support mechanisms and approaches to mitigate.</p> <p>Platform presentations 12.30 Abstract 2747 The Impact of Specialized Geriatric 5M Education on Mobilization of Older Adult Patients in Acute Care in 5 Hospitals in New Brunswick Dr Patrick Feltmate</p> <p>12.45 Abstract 2795 Using the dynamics of the frailty index to assess population health across different countries Saskia Drijver-Headley</p>
---------------	---

13.00	Lunch
-------	--------------

13.00	<p>Group Meetups Join colleagues over lunch to catch up. Rooms 1 & 2.</p>
-------	--

STREAM 3: Room 5/6/7

13.30	<p style="text-align: center;">Sponsored symposium - Room 4</p> <p style="text-align: center;">Optimising muscle and bone health in individuals with vitamin D deficiency Dr Sanjay Suman, Medway NHS Foundation Trust</p> <p style="text-align: center;">This is a promotional symposium sponsored and organised by Flynn Phama intended for UK HCPs only</p>
<p>Clinical Quality Session Facilitators: Tom Bartlett and Susannah Long</p>	
14.00 - 15.00	<p>14.00 Rising Star Presentation: Clinical Quality Dr Alexandra Burgess, ST7, Morrision Hospital</p> <p>14.20 The voice of older people with frailty in developing clinical practice Professor Caroline Nicholson, Professor of Palliative Care and Ageing, HEE/NIHR Senior Clinical Lecturer, Honorary Nurse Consultant, University of Surrey and St Christopher's Hospice. Academic Lead, End of Life SIG, British Geriatrics Society</p> <p>Platform Presentations</p> <p>14.40 Abstract 2753 Prioritising patient experience: a multidisciplinary, quality improvement project using patient feedback and co-design. (Remote) Dr Eileen Capek</p> <p>14.55 Abstract 2829 Improving door to needle times in stroke thrombolysis through simulation-based training in a district general hospital. Dr Sharath Koushik</p>
15.10	<p>Poster viewing time Visit the sponsored stands and poster viewing time: Authors will be able to take questions and provide more detail to questions submitted via the BGS Poster platform.</p>
<p>Nursing and Allied Health Professional Community of Practice DGM Moderators: Jo Jennings and Claire Pryor</p>	
15.30 - 16.30	<p>This is an interactive supportive session for people who are interested in the DGM to find out more, understand it, explore the process, and ask questions. It will cover the written and clinical exam set up. It will include;</p> <ul style="list-style-type: none"> • What the DGM is and what the benefits are to the people you look after, you, and your team • The written and clinical exam set up • Top tips and FAQs <p>Dr Suzanne Arnold, Research Physiotherapist, The University of Warwick and Dr Esther Clift, Consultant Practitioner in frailty, Isle Of Wight Trust, Ruth Heyes, Advanced Clinical Practitioner, Royal Shrewsbury Hospital and Lyndsey Dunn, Clinical Service Man Integrated Discharge Teams Vice Chair Nurse & AHP Council British Geriatric Society, Fife Health and Social Care Partnership</p>
16.30	<p>The power of story in medicine Dr Rachel Clarke, Palliative Care physician, Katharine House Hospice, Oxford Room 3</p>
17.00	<p>Networking Group meetups - SAS Grade, Trainees, Nurses and AHPs, Researchers, Workforce Room 2</p>

Use the table below to help plan how you will spend your second day at the conference. More detailed information about the sessions in each stream can be found on the following pages.

	STREAM 1 Room 3	STREAM 2 Room 4	STREAM 3 Room 5,6,7
9.30 - 10.30	Comprehensive Geriatric Assessment Why CGA?	Mental Health Anxiety and Depression in older adults	Research Association of Academic Geriatric Medicine (AAGM) symposium - Small vessel disease (SVD)
10.30	Free time		
11.00 - 12.00	Comprehensive Geriatric Assessment Embedding CGA within other acute based specialties	Mental Health Anxiety and Depression in older adults	Research Applying clinical research in clinical practice
12.20	President's poster round - Room 3		
13.15	Lunch and dedicated poster viewing time
